

Longear Sunfish (*Lepomis megalotis*)

# Volunteer ... Get out into the watershed...

## HELP GET THE WORD OUT

- 📷 **Photograph** animals, habitats, or nature scenes of the watershed. Upload them on our Facebook Page or email them to us for our newsletters, website or publications.
- 📝 **Write** informational watershed blurbs, press releases, or personal essays. Use them to start a discussion on our Facebook Page or send them to us so we can get them into local newspapers and magazines.
- 🗣️ **Tell your watershed story** in person at local schools, municipalities, civic groups, businesses and youth groups. Contact us about existing presentations or help us set up one.

*You can make a difference for our Longear Sunfish and all creatures in our watershed!*

## BRING OTHERS OUT INTO THE WATERSHED

- 🚣 **Lead a paddle trip**--open to the community--on one of your favorite watershed waterways.
- 🚤 **Host a pontoon tour** in the evening, touring shoreline and marsh habitats while enjoying cocktails and locally made hors d'oeuvres.
- 🎓 **Teach ice fishing** and environmentally responsible fishing ethics to young adults from local camp and environmental programs.
- 🌿 **Show off your rain garden, shoreline restoration, or prairie** within the watershed.
- 🔬 **Organize a biologist-led tour** of the Scuppernong or another area treasure.
- 🚶 **Lead a walk** at the Crooked Creek Preserve to view progress made by TNC to restore the land.
- 🌅 **Host a sunset potluck picnic** at an area lake to take in the summer's sights and sounds.
- 🦋 **Lead a bird watching hike** in the watershed--any season!

## BE A WATERSHED STEWARD

- 🗑️ **Organize** a watershed cleanup.
- 👥 **Volunteer** for a committee--membership, finance, events.
- 🗳️ **Join** the FOMR board.
- 💰 **Donate** to watershed projects.
- 🐢 **Join our turtle project** to help protect our natives and their habitat.
